

Help LACASA Win a Walmart Grant

Help LACASA win a \$100,000 grant through the Walmart Associate Choice Program. From June 18 through August 6, Walmart and Sam's Club employees can vote for one of five organizations to win a \$100,000 grand prize!

For Walmart and Sam's Club Associates:

You can help LACASA give over 4,000 abused and neglected children in Louisiana a voice and hope for the future. Last year, almost 2,000 volunteers advocated for the safety and well-being of children who had been removed from their homes due to parental abuse and neglect. They stood up for these children and you can too! Log in to www.mywalmart.com to cast your vote for LACASA.

You can also print out the flyer about Louisiana CASA and pass it along to your colleagues!

How CASA Supporters and Local CASA Programs Can Help:

1. **Know an employee at Walmart or Sam's Club?** Ask them to vote for LACASA. **However, you CANNOT do this on Wal-Mart property.**
2. **Do you shop at Walmart or Sam's Club?** Wear your CASA shirts when shopping!
3. **Spread the word.** Paste the following statement or something similar into an email, Facebook or on local program websites:

"CASA is an organization I support because they give a voice to more than 4,000 foster children in Louisiana. Unfortunately, there are still children who do not have a CASA because of a shortage of money and volunteers. They need your help.

Through August 6, employees at Walmart and Sam's Club can vote for one of five local nonprofit organizations to win \$100,000 through the Walmart Associate Choice Program. If LACASA wins the money, that's enough money to recruit and train new volunteers to help serve the approximately 2,000 children who currently have no voice.

Only employees can vote, so be sure to remind your friends or family members who work at Walmart or Sam's Club to vote for LACASA. "
